

Central Corridor Community Assembly

Sunday, March 28, 2010

2:00 to 4:00 PM

Central Corridor Resource Center

1080 University Avenue W., Saint Paul 55104

“To be successful, the light rail line must not only improve mobility, but must also serve as a catalyst to strengthen and enhance existing and future neighborhoods, workforces and businesses along the line.”

Saint Paul and Minneapolis Community Summit, March 7 & 8, 2009

Come join us at this *important* community gathering to set in motion the creation of a **Central Corridor Community Agreement(s)** to articulate a shared vision, to formalize commitments to achieve that vision, and to hold partners accountable to their commitments.

- **Meet others** who are interested in shaping the future of our neighborhoods.
- **Provide feedback** on the Community Agreement(s) Coordinating Committee and priority issues — **Get Involved, Stay Involved!**
- **Vote for community representatives** on the Coordinating Committee — You will be able to vote on a slate of 20 community representatives, including 3 nominations from the floor.
- **Talk with elected officials** who will serve on the Coordinating Committee.
- **Get progress reports** on Community Summit priorities, such as business mitigation, affordable housing, minority and women workforce hiring and contracting goals, and planning for areas around the no-longer-missing stations at Western, Victoria, and Hamline.

2:00 – 2:30 p.m. Open House and Socializing

Refreshments and Snacks will be served.

2:30 – 4:00 p.m. Community Meeting

Nekima Levy-Pounds, meeting facilitator

Child Care Provided on Site

Has your group been working on Central Corridor LRT community issues and solutions? We invite you to bring materials to share. Contact DCC at 651-249-6877
