HISTORIC RONDO FROGTOWN

Rondo is built off the legacy of Historic Rondo and celebrates the African American community. The Rondo Neighborhood served as a center for African American life and commerce before it was devastated and nearly erased by the construction of I-94 in the middle of the last century.

FrogTown is among the most diverse neighborhoods in St. Paul and has always been a haven for immigrants, working with artists and creative thinkers to animate vacant spaces, and build on the thriving community!
