LISC
Twin Cities
Helping people and places prosper

C4ward is a project of the Central Corridor as Cultural Corridor (C4) program. C4 exists to foster a cultural corridor that highlights local diversity, brings communities closer together, and boosts neighborhood economies through arts and culture.

The C4 partners include TC LISC, the Central Corridor Funders Collaborative, African Economic Development Solutions, Asian Economic Development Association, Aurora Saint Anthony Neighborhood Development Corporation, Frogtown Neighborhood Association, Prospect Park 2020, Saint Anthony Park Community Council and the West Bank Business Association.
